

Gough Plastics Apprentice Intake 2019

Gough Plastics is a family-owned company based in Townsville, since 1989.

Gough Plastics is a Rotational Moulding company with Global and Australasian expertise specialising in new products from conception through to point of sale with an environmental focus that influences every aspect of our profession. The company takes great pride in its achievements in all fields, especially those which have a bearing on Health and Environmental matters. We manufacture items such as Water Tanks; Toilet systems; durable storage containers; underbody gear; cattle feed troughs; and heavy duty plastic crane dunnage. We also offer customised plastic fabrication services with our state of the art plastics welding, bending, 3D Printing and CNC routing machines

The program

The Gough Plastics Apprentice program will be more than just a job. It will be a rewarding and exciting career choice. In this role you will enjoy hands on training in a wide variety of tasks within a dynamic manufacturing environment.
